Olesia Pryhun

Junior front-end developer

PORTFOLIO

My detailed portfolio with pet projects: https://portfolio-pryhun.netlify.app/.

My GitHub account: https://github.com/Olesia-P.

ABOUT ME

I completed a front-end course, then spent some time studying with the help of an experienced web developer and on my own.

I constantly improve my skills and continue writing pet projects. I use a variety of tools to learn, including documentation, forums, YouTube, and ChatGPT.
